PROJECTS & EXPERIENCE

UI UX Design

- **Hero Pen Landing Page** – Designed a modern, responsive landing page focusing on UI aesthetics and user experience.
- **E-commerce Design** – Created UI/UX design for an e-commerce website using Figma, including product pages, cart, and checkout flow.
- **WhatsApp Clone** – Designed a functional chat interface clone focusing on user-friendly design and interactive elements.
- **Daily UI Practice (Dribbble)** – Completed daily UI challenges from Dribbble, improving creativity, consistency, and design skills.

Front-End Development Projects

- **Full-Stack Learning Project** – Completed frontend module of Full-Stack Development course on Udemy, implementing responsive web pages.
 - **Portfolio Website Project (In Progress)** – Developing a personal portfolio website using HTML, CSS, and JavaScript to showcase projects and skills.
